

How can YOU make a difference?

The Walk for Apraxia® is the largest fundraiser supporting children with childhood apraxia of speech (CAS). We walk in over 80 locations across North America to create a world where every child with apraxia of speech receives the help and care they need.

By joining the Walk for Apraxia and inviting others to do the same, you play an essential role in making sure every child with apraxia can find the support they need. Every time you share about childhood apraxia of speech with someone new, you are creating a future where more children can find the care they need because apraxia is understood, not unknown.

Why do we walk?

The money raised through the Walk for Apraxia supports the programs of Apraxia Kids. Our mission is to strengthen the support systems in the lives of children with apraxia of speech by educating professionals and families, facilitating community engagement and outreach, and investing in the future through advocacy and research.

We would not be able to achieve our mission without the funds raised through the Walk for Apraxia.

Get connected to a community of support!

When we walk together, we feel less alone. The Walk for Apraxia® is our annual fundraising event held in over 80 cities across North America. It brings together parents, family members, and professionals to fundraise for Apraxia Kids and to connect with one another. The Walk is about giving our Apraxia Stars and their families a place to be understood and supported. On Walk day, everyone "gets it."

Celebrate your Apraxia Star!

The Walk for Apraxia celebrates the lives and hard work of our kids, our Apraxia Stars, who work so hard every day to overcome childhood apraxia of speech. Every Apraxia Star attending the Walk is recognized individually for their hard work. At the Walk for Apraxia, we come together for our Apraxia Stars so they can feel the love and support of their friends, families, and community.

Raise awareness of childhood apraxia of speech!

Raising awareness about childhood apraxia of speech is one of the key goals of the Walk for Apraxia. Every time you wear your Walk for Apraxia t-shirt, ask someone to make a donation or invite new members to join your Walk team, more people are hearing the word "apraxia" and more people will begin to understand what it is. Together, we can create a more accepting, informed, and inclusive future for our Apraxia Stars!
